Describe the proposed goods or services.	IBAK closed circuit TV inspection unit able to televise laterals, large diameter storm pipe and sanitary pipe.
What are the specific <u>necessary</u> features that this supplier provides that are not available from other suppliers?	This unit will be the same manufacturer as our other two CCTV trucks recently purchased from this same vendor. This will allow our tractor cameras to be used on all of our trucks when needed. Software is the same as what we are already using for our TV inspections.
Describe your efforts to identify other potential sources and how similar goods or services are <u>unable</u> to meet the required objective.	There were no efforts made to find other TV truck brands. It was decided by management that it would be best if we kept with one manufacturer for our CCTV program to operate efficiently.
*Testing and Evaluations performed to support standardization.	None
*How will standardization support the department/agency?	Having all CCTV trucks from the same manufacturer will make it easier for training, maintenance, able to interchange cameras.

Is this a one-time procurement? <input type="checkbox"/> No* <input checked="" type="checkbox"/> Yes	*On-going Limited Source procurement requires justification to be renewed every two years.
