

SELECTION STATEMENT FOR ARCHITECTS, ENGINEERS, AND LAND SURVEYORS

In accordance with Sections 8.285 through 8.291 of the Missouri Revised Statutes regarding contracts for architectural, engineering, and land surveying services, the Procurement Division has established a list of prequalified providers through the Request for Qualifications (RFQ) process.

City staff reviewed the qualifications of the firm named below in accordance with the following criteria:

1. The specialized experience and technical competence of the firm with respect to the services required;
2. The capacity and capability of the firm to perform the work within the time limitations fixed for the completion of the project;
3. The past record of performance with the firm with respect to such factors as control of costs, quality of work and ability to meet schedules; and
4. The firm's proximity to and familiarity with the area in which the project is located.

The Water Department selected

(Name of firm) Black & Veatch as the
firm to be the most qualified for this project to provide services for

(Name of project) Lime Slaker Addition

A contract was successfully negotiated based on the Scope of Work for the project for an
amount not to exceed \$ 446,406.

Project manager must submit this form via email to the Procurement Division, along with a requisition entered into the financial system. Email serves as authorization by each department to proceed.
