Independence, MO 64050

Dear Mr. Winckler:

MoDOT's Cost Share Committee approved the modified funding for your Route 24 project previously approved by the Cost Share Committee in June 2019.

The Cost Share Committee approved the Kansas City District to contribute district STIP funds at fifty percent (50%) of the increased estimate (\$2,262,752) up to \$1,131,376. The overall project will remain at a 50/50 split as approved by the Cost Share Committee in June 2019. Any costs over the updated estimate will be the responsibility of the City. MoDOT Cost Share funds remain at \$4,491,190 and the Kansas City District operating budget remains at \$624,975 as approved in June 2019.

The Cost Share Committee approved the modification contingent upon the Mid-America Regional Council amending the Transportation Improvement Program (TIP) for the increased funding.

Matt Killion, Area Engineer, will be contacting you to proceed with the execution of the supplemental Cost Share agreement. The supplemental Cost Share agreement must be executed by the City of Independence within 6 months after the recommendation of the Committee.

If you have any questions, please contact Matt Killion at (816)215-7274.

Sincerely,

David T. Silvester, P.E.  
KC District Engineer
