EXHIBIT 2
ANTI-DISCRIMINATION AGAINST ISRAEL ACT CERTIFICATION

Statutory Requirement: Section 34.600, RSMo, precludes entering into a contract with a company to acquire products and/or services "unless the contract includes a written certification that the company is not currently engaged in and shall not, for the duration of the contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel."

Exceptions: The statute provides two exceptions for this certification: 1) "contracts with a total potential value of less than one hundred thousand dollars" or 2) "contractors with fewer than ten employees." Therefore the following certification is required prior to any contract award.

Section 34.600, RSMo, defines the following terms:

> **Company** - any for-profit or not-for-profit organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including all wholly-owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of those entities or business associations.
>
> **Boycott Israel** and **Boycott of the State of Israel** - engaging in refusals to deal, terminating business activities, or other actions to discriminate against, inflict economic harm, or otherwise limit commercial relations specifically with the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel, that are all intended to support a boycott of the State of Israel. A company's statement that it is participating in boycotts of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel, or that it has taken the boycott action at the request, in compliance with, or in furtherance of calls for a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel shall be considered to be conclusive evidence that a company is participating in a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel; provided, however that a company that has made no such statement may still be considered to be participating in a boycott of the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel if other factors warrant such a conclusion.

Certification: The Contractor must therefore certify their current status by completing either Box A, Box B, or Box C on the next page of this Exhibit.

BOX A:	To be completed by a Contractor that does not meet the definition of "company" above, hereinafter referred to as "Non-Company."
BOX B:	To be completed by a Contractor that meets the definition of "Company" but has less than ten employees.
BOX C:	To be completed by a Contractor that meets the definition of "Company" and has ten or more employees.

MEMORANDUM OF UNDERSTANDING (MOU)

1. Purpose

1.1 This agreement is entered into between the Missouri Department of Health and Senior Services, hereafter referred to as "Department" and the **Independence City Health Department**, hereafter referred to as "LPHA" . The agreement shall be effective June 1, 2021 through May 31, 2024 in conjunction with the Participation Agreement for State Investment in Local Public Health Services.

1.2 The agreement sets forth the terms and conditions for the Children's Health Insurance Program (CHIP) Health Services Initiatives (H.S.I.). Specific H.S.I. may include the following programs:

1.2.1 *Immunization programs*
LPHAs provide a vital role in immunizing our children and promoting immunization among hard to reach families and communities. Immunization program costs are operational (staff related) costs only. If the vaccines costs are funded through the Vaccines for Children (VFC) program or any other federal source, the costs of the vaccines are not included in the CHIP claiming. The immunization program costs claimed under CHIP are net of revenue obtained from billing Medicaid and other insurers for administrative costs.

1.2.2 *Lead testing and prevention programs*
LPHAs are at the forefront of monitoring and managing lead poisoning among children up to age six. Lead program costs include educating families about lead poisoning, testing, and case management services. The lead related program costs claimed under CHIP are net of applicable credits.

1.2.3 *Newborn home visiting programs*
LPHAs offer newborn home visiting programs to high risk families. Clinical staff and other trained professionals provide a range of services to young families to ensure the healthy development of infants and toddlers.

1.2.4 *Screening, Diagnosis and Education of Public Health Issues*
LPHAs provide health related services to children under the age of 19 in a wide variety of settings, including health department facilities, schools, preschools, day care centers, churches, community centers, homes and other settings. Services include health education, screenings, diagnosis, maintenance of health records, basic nursing services and referrals as needed to other health care providers. These services are distinct and different from the services provided in schools as part of special education services authorized under IDEA.

2. Process

2.1 The Department will provide the LPHA with the CHIP H.S.I. Net Expenditure Report form for reporting expenditures.

2.2 The LPHA shall submit a quarterly CHIP H.S.I. Net Expenditure Report form no later than 30 days following the end of each calendar quarter.

2.3 The Department will compile expenditure documentation from LPHAs and submit net expenditures by program on a quarterly basis to the Department of Social Services for federal reimbursement under Title XXI of the Social Security Act.

2.4 The distribution of the federal reimbursement of qualifying LPHA expenditures through the CHIP H.S.I. will be based on a methodology established by the Department.

3.0 Federal Requirements

3.1 Program expenditures requested for federal reimbursement under CHIP H.S.I. must have been paid solely by local or state funds.

3.2 Since this agreement involves the use of federal funds, the Department has determined that this agreement is subrecipient in nature as defined in the Office of Management and Budget (OMB) Circular A-133, Section 210. The signature of the LPHA's authorized representative indicates compliance with the Certifications contained in Attachment A and the special conditions contained in Attachment B as attached hereto and incorporated by reference as if fully set forth herein.

4.0 Confidentiality

4.1 The LPHA shall comply with provisions of Attachment C, as attached hereto and incorporated by reference as if fully set forth herein, in regards to the Health Insurance Portability and Accountability Act of 1996, as amended.

5.0 Amendments

5.1 The parties agree that any changes to the MOU must be by formal amendment reviewed, approved and signed by the parties.

5.2 The parties agree that no other documents, including correspondence, acts and oral communications by or from any person, shall be construed as an amendment to the MOU.

6.0 Monitoring

6.1 The department reserves the right to monitor this agreement to ensure compliance.

7.0 Documentation

7.1 The LPHA shall retain all books, records, and other documents relevant to this agreement for a period of five (5) years after final payment or the completion of an audit, whichever is later, or as otherwise designated by the federal funding agency. The LPHA shall allow authorized representatives of the Department, State, and Federal Government to inspect these records upon request. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the five (5) year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular five (5) year period, whichever is later. Failure to retain adequate documentation for any service billed may result in recovery of payments for services not adequately documented.

8.0 Termination

1.3.13 Notwithstanding any provisions of the Terms and Conditions attached hereto, in order to meet the requirements under HIPAA and the regulations promulgated thereunder, the contractor shall keep and retain adequate, accurate, and complete records of the documentation required under these provisions for a minimum of six (6) years as specified in 45 CFR Part 164.

1.3.14 Contractor shall not directly or indirectly receive remuneration in exchange for any Protected Health Information without a valid authorization.

1.3.15 If the contractor becomes aware of a pattern of activity or practice of the state agency that constitutes a material breach of contract regarding the state agency's obligations under the Business Associate Provisions of the contract, the contractor shall notify the state agency's Security Officer of the activity or practice and work with the state agency to correct the breach of contract.

1.3.16 The contractor shall indemnify the state agency from any liability resulting from any violation of the Privacy Rule or Security Rule or Breach arising from the conduct or omission of the contractor or its employee(s), agent(s) or subcontractor(s). 1.5.1 In the event the state agency determines that returning or destroying the Protected Health Information is not feasible, the contractor shall extend the protections of the contract to the Protected Health Information for as long as the contractor maintains the Protected Health Information and shall limit the use and disclosure of the Protected Health Information to those purposes that made return or destruction of the information infeasible. If at any time it becomes feasible to return or destroy any such Protected Health Information maintained pursuant to this paragraph, the contractor must notify the state agency and obtain instructions from the state agency for either the return or destruction of the Protected Health Information.

1.6 Breach of Contract – In the event the contractor is in breach of contract with regard to the business associate provisions included herein, the contractor agrees that in addition to the requirements of the contract related to cancellation of contract, if the state agency determines that cancellation of the contract is not feasible, the State of Missouri may elect not to cancel the contract, but the state agency shall report the breach of contract to the Secretary of the Department of Health and Human Services.
