

City of Independence

My Name is Dante Goodwin, I am a Tattoo artist. I have been Tattooing for 5 years. I've worked in 2 Local shops and I am a Licensed Artist. I am applying for this special use permit to open a shop on my own. I plan to open this shop at 10701 E Winner Rd. Independence MO. In the top level in Suite # 220. I have consistently seen atleast 15 customers per month and I am growing. I have a solid customer base which has allowed me to function independently for 2 years. Hopefully I can grow with the City of Independence.
