Independence Community Development

AppleTree Condo Association has been a part of the Independence community since 1993 along with our neighbors, Keller's Turf and Shrub Care.

During all the years we have had no problems with their buildings or equipment on their property. They maintain the property well and help keep our neighborhood secure.

We look forward to many years as their neighbor.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sheryl Liddle', written over a horizontal line.

Sheryl Liddle
AppleTree Board President
