Re: Initial - New Business on October 26 2021

Congratulations, your business has satisfactorily completed and passed the Initial Business License Fire and Life Safety Inspection. The Independence Missouri Fire Department would like to take this time to thank you for making fire safety a priority.

Upon satisfactory completion and signing off of all inspections by all required City Departments, your City of Independence, Missouri Business License will be sent to the business owner to be displayed within the occupancy.

Note: Records of inspection reports are maintained by the Fire Prevention Bureau of the City of Independence, Missouri Fire Department and are part of the public record requirements of the State of Missouri. It is possible that information contained in these reports in addition to your failure to correct any noted fire code violations may be used against you in civil and/or criminal proceedings in the event of an incident related to any such violation. These records may also be accessed by your insurance carrier.
