RE: 217 S Main (Tattoo Studio)

Business Owner/Tenants: Jeremy Taylor & Aimee Ulberg

We have owned and operated a successful tattoo business since 2013. We decided to make a change in how we deliver our business and open a small private studio. We have loved and enjoyed owning and operating larger shops. However, between the high end clientele we serve and our youngest son being born with Autism we feel like it is time to take this chance and make this change.

We are applying to open a private tattoo studio at: **217 S Main**. Our business hours will be mainly during the day, and by appointment only. Some of our current clients include NFL players, many from the Chiefs as well as the Dallas Cowboys, Philadelphia Eagles, Green Bay Packers, NY Jets and Houston Texans just to name a few. We have many clients who will wait up to a year for an appointment and will fly to KC just for one of our artists.

There will only be a maximum of 2 tattoo artist working at any given time.

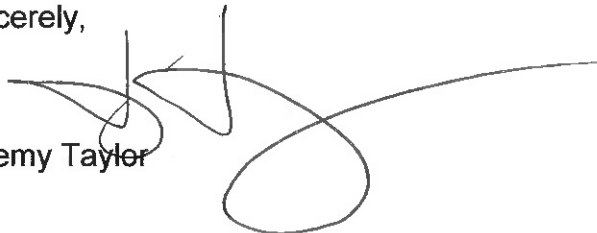

Seven out of ten years we have been nominated in the top 3 as artist and overall shop in the KC area. With that being said we are well known for our work and continue to grow and bring in even more business. We have won over 50 awards in various categories as well.

We look forward to doing business and making a difference in the city of Independence.

If there are any further questions, please contact me at (913) 514-0082.

Sincerely,

Jeremy Taylor
