The stated purpose of the District is to provide funding for the services and improvements described in the Petition, specifically including: (a) capital improvements within the District and the maintenance thereof as permitted by the Act; (b) remediation of blighting conditions on private property within the District as permitted under the Act provided that the City Council first determines that the action to be taken is reasonably anticipated to remediate the blighting conditions and will serve a public purpose; (c) administration and operation of the District as permitted under the Act; (d) cleaning and maintenance services to public areas within the District as permitted under the Act; and (e) further all other lawful purposes of the District under the Act and services authorized by the Petition (collectively, the "Project").

The sales tax collection began July 1, 2017.

The District has adopted a fiscal year beginning July 1 and ending June 30 of each year.
