Attn: Mr. Doug Poole

**RE: Blue Valley Power Plant
Independence, MO
Fire Line Valve Replacement**

Dear Mr. Poole,

We are submitting for your use a budget estimate in the amount of **\$105,665.00** to replace valves at various locations at the Blue Valley Power Plant site.

Scope of work:

1. Supply all labor, material, and necessary equipment to make required to remove and replace 3 – 8” gate valves, 3 – 8” post indicator valves, and one – 8” backflow assembly. Proposal includes replacing 10’ of ductile iron pipe at each location as required.
2. Proposal includes necessary excavation and backfill. At location(s) where asphalt is removed proposal is based upon the area removed to be replaced back with concrete inn lieu of asphalt.
3. Project to be performed on a Time and Material basis with rates per the Heavy Maintenance Agreement. Agreement #21029.
4. Removal, handling, and disposal of any hazardous materials are not included. Any non-hazardous spoils from excavation to be disposed on site.
5. Any Electrical work to be performed by others.
6. Project is to be performed on a straight time basis; any premium time is not included.
7. Proposal based upon project to be Tax Exempt.

We appreciate the opportunity to quote and hope may continue to be of service.

Sincerely,
RAND CONSTRUCTION CO.
