Attn: Mr. John A. George
Communications Supervisor
Independence Power & Light
17221 E. 23rd Street, South
Independence, MO 64057

Dear Mr. George,

This confirms that GE Grid Solutions, LLC is the original equipment manufacturer of the Lentrionics Multiplexer (known as JungleMUX) and JunglePAX products. The sale of this equipment in US and Canada is currently transacted directly between GE Grid Solutions, LLC. and the end-users. There are no authorized distributors or resellers of this product in your region.

GE Grid Solutions LLC is the sole provider for support services and training on our products.

Your truly,

A handwritten signature in black ink, appearing to read 'Timothy A. Phillippe'.
