

# Executive Summary

At IntelPeer, our customers are our most vital asset. We are committed to revolutionizing the way businesses communicate, one customer at a time. We strive each day to provide our customers with superior service and unprecedented control over their communications. With our expertise, dedicated support teams, buildable solutions, and self-service portal, you can rest assured your business communications are in good hands here at IntelPeer.

In order to best meet your voice calling needs, we propose our Atmosphere Voice Services - Port Bundle solution. This all-inclusive package is configured on a port/concurrent call basis for a predictable monthly spend. Our proposed solution includes 120 port bundles for \$2,700.00 per month.

We are grateful for the opportunity to partner with AVI-SPL to provide you with these services. Please reference TIPS 200904.

We look forward to earning your business as an IntelPeer customer with the promise of our expert support, high-quality service, and personalized approach from day one. Please accept this proposal for review and contact me if you have any questions.

Sincerely,
