

MidWest Kustoms auto group is an auto restoration dealership that takes old, classic, vintage, specialty and muscle car cars; Restores them to a complete brand new life. New exterior, new interior, new motor, new wheels and tires. We will also have a retail store selling wheels, tint, vinyl wraps, and aftermarket accessories for vehicles and off road vehicles..

The work/performance done @ location 9304..

1. Light body work which includes metal fabrication, panel replacement, patch panel repair, an alignment of panels, gaps and complete With body filler prep and ready for shipped to the paint department that's out sources at another facility not at this location.
2. The retail store at this location in the lobby/display area will sell wheels, tint, and aftermarket accessories for automobiles.
3. We also install breathalyzer box with the state and Intoxalock for the last 6 years for drunk drivers..
4. We will do installs such as tint, wraps wheels and accessories like mirrors, wings, grills, lights on vehicles inside the bays in front. Very light work
5. We will not be doing any painting unless water base.. Mostly tinting and wraps in clean area. (Booth). We are not a full body shop. But we do work on our vehicles for preparing for cars sales.. This is all of the dealerships cars.

This is the scope of what MidWest Kustom Auto Group will be doing at 9304 E US 40 HWY.

I also attached a picture of the plan the best

way i could.. Again a fence will be put up in the back to have a better eye appeal.
