Deanna,

Please start a PO for the following:

3 – Ford F550 chassis (there is a line item in the budget to re-chassis the rescues), estimated cost \$75,000 per unit. Total \$225,000

1 – Ford F250 Pickup, estimated cost \$55,000.

We are waiting on the cost sheet from Shawnee Ford, which was supposed to have been released yesterday, and we still have not received.

The order platform as I was told opens Nov. 7<sup>th</sup>, and closes on the 10<sup>th</sup>.

After a phone conversation with Dawn and Rich, the suggested to start the PO with estimated cost.

Let me know if you have any questions.

Thanks,

**David Shelley**
