

City of Independence,

Thank you for approving my special use permit last year. Allowing me to have my first successful year in business as a Licensed Tattoo Artist/Shop owner. You allowed me to continue to grow in my profession. This year I would love your permission to do the same. I would like to move my shop to a new location. The new location is located at 3300 Blue Ridge cutoff, Independence, MO 64055. This is a bigger location with more room to Add other Artist to help the business grow. My last location was not as visible and this is a storefront location. If this is approved I would be able to grow with other artist and help others achieve their goals. Thank you for your Continued support.

Don Jodi
