<p>This is a Limited or Limited source purchase because (Check all that apply):</p> <p><input type="checkbox"/> Licensed or patented – supplier has a license or patent that makes them the Limited provider.</p> <p><input type="checkbox"/> One-of-a-kind – there are no competitive alternatives available on the market.</p> <p><input type="checkbox"/> Limited Distributor – Supplier is the Limited distributor for the region or municipality</p> <p><input type="checkbox"/> Compatibility – must match existing brand or equipment for compatibility.</p> <p><input type="checkbox"/> Warranty/Replacement part – for a specific brand or factory authorized warranty services.</p> <p><input type="checkbox"/> Grant – Requirements for specific goods/services established in the grant language. Attach grant for support.</p> <p><input type="checkbox"/> Unique design – must meet physical design or quality standards.</p> <p><input type="checkbox"/> Public Utility Services – Necessary adjustment of utility facilities</p> <p><input checked="" type="checkbox"/> Other - Toth & Associates is an approved A & E vendor of the City of Independence and complies with the City policy on engineering QBS process. Toth & Associates are familiar with IPL protection schemes and engineering policies as demonstrated over the past three years by successfully completing engineering services for the rebuild of Substations K and E for IPL. This knowledge will serve as an efficient and economical method of reviewing proposed Substation M 69 kV Breaker replacement engineering services. Therefore recommend limiting the engineering services for the Substation M 69 kV Breaker Replacement project only to Toth & Associates. Using other consultants will require substantially more engineering services and cause increased costs to IPL.</p> <ul style="list-style-type: none"> • If the justification for Limited source is "Standardization" then additional supporting documentation must be provided. * • Procurements of items which the City has established a standard of designating a brand name or manufacturer or by pre-approving via testing shall be competitively bid if there is more than one supplier for the item. 	
<p>Describe the proposed goods or services.</p>	<p>Substation M 69kV Breaker Replacement Engineering Services</p>
<p>What are the specific <u>necessary</u> features that this supplier provides that are not available from other suppliers?</p>	<p>Toth & Associates have been supplying system protection and substation designs for IPL over the past three years, and as a result are very familiar with the IPL design policies and procedures. This knowledge will serve as an efficient and economical method of reviewing proposed Substation M 69 kV Breaker replacement engineering services.</p>
<p>Describe your efforts to identify other potential sources and how similar goods or services are <u>unable</u> to meet the required objective.</p>	<p>The bidding to others will require significantly more engineering services and cause increased costs to IPL. Due to the previous successful engineering provided by Toth and their availability during the timeframe needed there is no need to pursue review with other engineering firms.</p>

*Testing and Evaluations performed to support standardization.	
*How will standardization support the department/agency?	Through the use of Burns & McDonnell, for the Sub S site and electrical configuration a consistent and standard approach will be followed similar to previous transmission planning studies. Their approach is both professional and accurate.
Is this a one-time procurement? <input type="checkbox"/> No* <input checked="" type="checkbox"/> Yes	*On-going Limited Source procurement requires justification to be renewed <u>every two years.</u>

STATEMENT OF NEED AND CERTIFICATION: My department's recommendation for Limited source is based upon an objective review of the product/service required and appears to be in the best interest of the City of Independence. I know of no conflict of interest on my part or personal involvement in any way with this request. No gratuities, favors or compromising action have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials or firms been a deciding influence on my request to Limited source this purchase when there are other known suppliers to exist. By submitting this form to Munis, I hereby certify that this justification for Limited source procurement is accurate and complete to the best of my knowledge and belief.
