The Office of National Drug Control Policy (ONDCP) has awarded High Intensity Drug Trafficking Area (HIDTA) funding to federal, state and local law enforcement agencies in the region comprised of the states of Kansas, Missouri, Nebraska, Iowa, South Dakota and North Dakota for the purpose of combating the manufacture and importation of methamphetamine and the disruption of poly-drug trafficking organizations. The Kansas Bureau of Investigation (KBI) has been designated as the fiscal agent for award proceeds to be distributed to state and local agencies participating in the Midwest HIDTA program within Kansas and in selected regional initiatives. These funds shall be used for purposes designated in the MIDWEST HIDTA INVESTIGATIVE SUPPORT CENTER INITIATIVE (Appendix A) and associated budget (Appendix B), as approved by ONDCP.

Scope of Service

The services carried out under this Memorandum of Understanding shall be consistent with those contained in the initiative proposal and budget as approved for funding by ONDCP. Changes shall not be made in the subject or the proposed objectives of the initiative without prior written approval from the Midwest HIDTA Executive Director the Midwest HIDTA Executive Committee.

The signatories agree to provide written notice to the KBI and to the Midwest HIDTA Executive Director, at least (30) days in advance of any planned withdrawal from this agreement. In the event of withdrawal from this initiative by any party, all property and equipment acquired with HIDTA funds by the withdrawing party shall be re-distributed as per Midwest HIDTA policy and procedure. Upon the date specified in the written notice of withdrawal, this agreement shall become void with respect to the agency giving notice but shall remain in effect for all other participants. The KBI shall process all allowable reimbursement requests for the withdrawing agency through the date of the withdrawal.

Reprogramming of Funds

Reprogramming of funds within a HIDTA award requires different levels of approval based upon the amount to be reprogrammed and whether the reprogramming is inter-agency or inter-initiative. In all cases the recipient agency is responsible for forwarding a request for authorization for reprogramming to the KBI to be forwarded to the Midwest HIDTA Executive Director and Midwest HIDTA Executive Committee. The recipient agency is also responsible for maintaining detailed records of any reprogramming activities.

Reporting Requirement

All participants may be required to prepare a final report of initiative expenditures, which shall be submitted to the KBI within 30 days of the close of the program fiscal year. The financial report will be of a form approved by the KBI and shall contain a listing of expenditures/costs by cost category from the approved initiative budget (Appendix B). The report shall also contain a comparison of actual costs/expenditures against budget estimates. Failure to submit reports on a timely basis may result in the interruption or termination of the initiative funding for your agency. Detailed information on the financial reporting requirements is found in the HIDTA Program Policy and Budget Guidance (PPBG) publication and the Midwest HIDTA Policies and Standard Operating Procedures document (SOP).

Program Standards

Each agency agrees to abide by the standards and rules defined in the HIDTA Program Policy and Budget Guidance (PPBG) publication and the Midwest HIDTA Policies and Standard Operating procedures document as well as all formal written program guidance regarding financial management standards, reporting, records retention, equipment, vehicles, and procurement and supplanting requirements for any agency accepting HIDTA funds. You can download the full version from National HIDTA Assistance Center (NHAC) at nhac.org.

Each agency shall retain the original supporting documentation and provide a copy to the KBI with the monthly report. Each agency agrees that the NHAC and Midwest HIDTA Executive Director and Midwest HIDTA Executive Committee have the right to terminate suspend or delay any payment to sub-recipient if the reimbursements clearly fails to meet HIDTA PPBG. In the event that such an act is necessary the agency will be notified within three days of the decision.

Equipment purchased with HIDTA funds shall be identified by cost, type and serial number and reported to the Kansas State Coordinator on the Midwest HIDTA Inventory Form (Appendix C). The Kansas State Coordinator shall maintain an inventory of all equipment purchased and provide the same to HIDTA. A copy of all inventory transactions shall be provided to the KBI. Any change to the inventory of HIDTA purchased equipment shall be reported promptly and in writing to the KBI.

FY 2023 INTELLIGENCE AND INFORMATION SHARING INITIATIVE DESCRIPTION BUDGET PROPOSAL

HIDTA: Midwest HIDTA
INITIATIVE TITLE: Midwest HIDTA Investigative Support Center
LEAD AGENCY(S): Drug Enforcement Administration
LOCATION: Kansas City, MO

INITIATIVE DESCRIPTION

Initiative Purpose

The Midwest HIDTA Investigative Support Center (ISC) has been operational since 1998 and is managed by the Drug Enforcement Administration (DEA). The ISC is a cooperative partnership of federal, state and local law enforcement agencies supporting enforcement, interdiction and SAUSA initiatives operating throughout the Midwest HIDTA's seven state area (Missouri, Kansas, Iowa, Nebraska, North Dakota, South Dakota and southern Illinois). The ISC is located in Kansas City, Missouri and it is electronically linked to task force locations and key state agencies in each of the states. The ISC collects and analyzes information from all Midwest HIDTA task forces and participating agencies. The ISC provides event and target deconfliction services, multi-source name checks, investigative/tactical case support, toll analysis, charting, graphic work, post-seizure analysis and trend/predictive analysis. In addition to its de-confliction, DHE and analytical case support services, the ISC also prepares the annual Midwest HIDTA Threat Assessment and various strategic intelligence bulletins. The ISC also provides continual evaluation of the threat to the region, identifying changes in patterns and trends. By improving the exchange of intelligence and information through more efficient coordination and communications, the ISC enhances the ability of federal, state, and local law enforcement agencies to identify, arrest and prosecute key members of drug trafficking organizations and those individuals involved in violent crime that are involved in drug trafficking at the local level. The ISC is heavily involved in tactical case support throughout the Midwest HIDTA region and provides support to numerous high-profile drug investigations to include OCDETF, RPOT and CPOT-linked cases.

This award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. § 200 (the “§ 200 Uniform Requirements”), as adopted and implemented by the Office of National Drug Control Policy (ONDCP) in 2 C.F.R. §3603. For this award, the § 200 Uniform Requirements supersede, among other things, the provisions of 28 C.F.R. §§ 66 and 70, as well as those of 2 C.F.R. §§ 215, 220, 225, and 230. For more information on the § 200 Uniform Requirements, see <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200>. For specific, award-related questions, recipients should contact ONDCP promptly for clarification.
2. This award is subject to the following additional regulations and requirements:
 - 28 C.F.R. § 69 – “New Restrictions on Lobbying”
 - 2 C.F.R. § 25 – “Universal Identifier and System of Award Management”
 - Conflict of Interest and Mandatory Disclosure Requirements
 - Non-profit Certifications (when applicable)
3. Audits conducted pursuant to 2 C.F.R. § 200, Subpart F, “Audit Requirements” must be submitted no later than 9 months after the close of the grantee’s audited fiscal year to the Federal Audit Clearinghouse at <https://harvester.census.gov/facweb>
4. Grantees are required to submit Federal Financial Reports (FFR) to the Department of Health and Human Services, Division of Payment Management (HHS/DPM). The Federal Financial Report is required to be submitted quarterly and within 90 days after the grant is closed out.
5. The recipient gives the awarding agency or the Government Accountability Office, through any authorized representative, access to, and the right to examine, all paper or electronic records related to the grant.
6. Recipients of HIDTA funds are not agents of ONDCP. Accordingly, the grantee, its fiscal agent(s), employees, contractors, as well as state, local, and Federal participants, either on a collective basis or on a personal level, shall not hold themselves out as being part of, or representing, the Executive Office of the President or ONDCP.
7. These general terms and conditions, as well as archives of previous versions of these general terms and conditions, are available online at <https://www.whitehouse.gov/ondcp/grant-programs/>.

8. Failure to adhere to the General Terms and Conditions as well as the Program Specific Terms and Conditions may result in the termination of the grant or the initiation of administrative action. ONDCP may also terminate the award if it no longer effectuates program goals or agency priorities. See 2 CFR 200.340.
9. Conflict of Interest and Mandatory Disclosures

A. Conflict of Interest Requirements

As a non-federal entity, you must follow ONDCP's conflict of interest policies for federal awards. Recipients must disclose in writing any potential conflict of interest to an ONDCP Program Officer; recipients that are pass-through entities must require disclosure from sub-recipients or contractors. This disclosure must take place immediately whether you are an applicant or have an active ONDCP award.

The ONDCP conflict of interest policies apply to sub-awards as well as contracts, and are as follows:

- i. As a non-federal entity, you must maintain written standards of conduct covering conflicts of interest and governing the performance of your employees engaged in the selection, award, and administration of sub-awards and contracts.
- ii. None of your employees may participate in the selection, award, or administration of a sub-award or contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an organization considered for a sub-award or contract. The officers, employees, and agents of the non-federal entity must neither solicit nor accept gratuities, favors, or anything of monetary value from sub-recipients or contractors or parties to sub-awards or contracts.
- iii. If you have a parent, affiliate, or subsidiary organization that is not a state, local government, or Indian tribe, you must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, you are unable or appear to be unable to be impartial in conducting a sub-award or procurement action involving a related organization.

B. Mandatory Disclosure Requirement

As a non-federal entity, you must disclose, in a timely manner, in writing to ONDCP all violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Non-federal entities that have received a federal award including the terms and conditions outlined in appendix XII of this part are required to report certain civil, criminal, or administrative proceedings to the System for Award Management (SAM), currently the Federal Awardee Performance and Integrity Information System. Failure to make required disclosures can result in any of the remedies described in § 200.339. (See also 2 C.F.R. §180, 31 U.S.C. § 3321, and 41 U.S.C. § 2313.)

None of the funds appropriated or otherwise made available by this grant or any other Act may be used to fund a contract, grant, or cooperative agreement with an entity that requires employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information. This limitation shall not contravene requirements applicable to Standard Form 312, Form 4414, or any other form issued by a Federal department or agency governing the nondisclosure of classified information.

10. Federal Funding Accountability and Transparency (FFATA) / Digital Accountability and Transparency Act (DATA Act). Each applicant is required to (i) be registered in SAM before submitting its application; (ii) provide a valid Unique Entity Identifier number in its application; (iii) continue to maintain an active SAM registration with current information at all times during which it has an active federal award; and (iv) provide all relevant grantee information required for ONDCP to collect for reporting related to FFATA and DATA Act requirements.
11. Subawards are authorized under this grant award. Subawards must be monitored by the award recipient as outlined in 2 C.F.R. § 200.331.
12. Recipients must comply with the Government-wide Suspension and Debarment provision set forth at 2 C.F.R. §180, dealing with all sub-awards and contracts issued under the grant.
13. As specified in 2 CFR 200.303 Internal Controls, recipient must:

- a) Establish and maintain effective internal controls over the federal award that provides reasonable assurance that federal award funds are managed in compliance with federal statutes, regulations and award terms and conditions. These internal controls should be in compliance with the guidance in “Standards for Internal Control in the federal Government,” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework,” issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
 - b) Comply with federal statutes, regulations, and the terms and conditions of the Federal awards.
 - c) Evaluate and monitor the non-federal entity’s compliance with statute, regulations, and the terms and conditions of the federal award.
 - d) Take prompt action when instances of noncompliance are identified, including noncompliance identified in audit findings.
 - e) Take reasonable measures to safeguard protected personally identified information (PII) and other information ONDCP or pass-through entity designates as sensitive or the non-federal entity considers sensitive consistent with applicable federal, state, and local laws regarding privacy and obligations of confidentiality.
14. Recipients are prohibited from using federal grant funds to purchase certain telecommunication and video surveillance services or equipment in alignment with § 889 of the National Defense Authorization Act of 2019, Pub. L. No. 115-232. See 2 C.F.R. § 200.216. See also, HIDTA PPBG, § 7.20, Prohibited Uses of HIDTA Funds.
 15. Grantees should provide a preference, to the extent permitted by law, to maximize use of goods, products, and materials produced in the United States. See 2 C.F.R. § 200.322.
 16. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all grantees receiving Federal funds included in this Act, shall clearly state—
 - a) the percentage of the total costs of the program or project which will be financed with federal money;
 - b) the dollar amount of Federal funds for the project or program; and
 - c) percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

B. Recipient Integrity and Performance Matters

Reporting of Matters Related to Recipient Integrity and Performance

1. *General Reporting Requirement*

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this federal award, then you as the recipient during that period of time must maintain the currency of information reported to SAM that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under § 872 of Public Law 110-417, as amended (41 U.S.C. § 2313). As required by § 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for federal procurement contracts, will be publicly available. See 41 U.S.C. § 417b(e)(1).

2. *Proceedings About Which You Must Report*

Submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent 5-year period; and
- c. Is one of the following:
 - (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;

 - (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
 - (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

(iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. *Reporting Procedures*

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under federal procurement contracts that you were awarded.

4. *Reporting Frequency*

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent 5-year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. It does not include audits, site visits, corrective plans, or inspection of deliverables.

1. This award is subject to the requirements in the SUPPORT for Patients and Communities Act, 21 U.S.C. §§ 1701 *et seq.* and in the ONDCP National HIDTA Program Office HIDTA *Program Policy and Budget Guidance* (September 9, 2021) (PPBG).
