

# NASPO ValuePoint, MMCAP, and Sourcewell Contracts used by State of Missouri

Revised: January 18, 2019

The State of Missouri, Division of Purchasing has signed Participating Addenda to utilize specific contracts established by NASPO ValuePoint (formerly WSCA-NASPO), MMCAP, and Sourcewell (formerly NJPA) as listed below.

- “Political Subdivisions Only” indicates the contract is only open for use by political subdivisions of the State of Missouri. State agencies governed by Chapter 34 RSMo are prohibited from using “political subdivisions only” agreements unless specifically authorized by the Director of the Division of Purchasing.
- “State Agencies and Political Subdivisions” indicates the contract is available for use both by state agencies governed by Chapter 34 RSMo and by political subdivisions of the State of Missouri.
- The NASPO ValuePoint Contract Website links, MMCAP Contract Website links, and the Sourcewell Contract Website links contain the signed participating addenda, the lead state’s website, and pricing/ordering information.
- For “State Agencies and Political Subdivisions” contracts, the “State of Missouri Contract Website” link directs you to the State of Missouri’s statewide contract search that allows you to search by contract description and contract number for the information needed to utilize contracts established by the state.
