

**PROCUREMENT
LIMITED SOURCE JUSTIFICATION
Purchases Above \$5,000**

<p>A Limited source is defined as: A purchase that is clearly and legitimately limited to a single source or supply.</p> <p>A. If more than one company can respond to your specifications, it is not a Limited source.</p> <p>B. The use of Limited source purchases shall be limited only to specific instances, which are totally justified to satisfy compatibility or technical performance needs.</p> <p>All Limited source purchases shall follow the City of Independence Procurement Policy Section 13.A - B.</p>	
<p>I REQUEST THAT THE REFERENCED PURCHASE BE DECLARED A LIMITED SOURCE PURCHASE.</p>

<p>Describe the proposed goods or services.</p>	<p>Augmented Engineering Services</p>
<p>What are the specific <u>necessary</u> features that this supplier provides that are not available from other suppliers?</p>	<p>Burns & McDonnell has been supplying transmission and distribution support services for several years and as a result are very familiar with the IPL policies and procedures. This knowledge will serve in providing the needed Augmented Engineering support services. They are vetted, qualified, and local.</p>
<p>Describe your efforts to identify other potential sources and how similar goods or services are <u>unable</u> to meet the required objective.</p>	<p>Per QBS no bidding is required. Rule 48 is a clear prohibition of competitive bidding for professional engineering services, and Rule 49 reinforces the injunction against competitive bidding by declaring it specifically to be an unethical practice. www.nspe.org › resources › ethics Burns & McDonnell is already vetted, qualified, and local providing significant savings in travel expenses whereas other firms do not meet these criteria.</p>

*Testing and Evaluations performed to support standardization.	SEE A&E contract 50000561
*How will standardization support the department/agency?	Through the use of Burns & McDonnell, with their familiarity with IPL engineering procedures will be able to follow IPL standard approach to engineering solutions for the services requested. This is much like the long established standard approach used for supplying transmission planning services in the past. Their approach is both professional and accurate.
Is this a one-time procurement? <input type="checkbox"/> No* <input checked="" type="checkbox"/> Yes	*On-going Limited Source procurement requires justification to be renewed <u>every two years.</u>

PRICE REASONABLENESS (Check all that apply and attach back-up documentation)

I reviewed the proposed price to current published catalog, price lists, or market prices as documented in the attachments and the proposed price is similar or less. **Attach relevant documentation.**

STATEMENT OF NEED AND CERTIFICATION:
My department’s recommendation for Limited source is based upon an objective review of the product/service required and appears to be in the best interest of the City of Independence. I know of no conflict of interest on my part or personal involvement in any way with this request. No gratuities, favors or compromising action have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials or firms been a deciding influence on my request to Limited source this purchase when there are other known suppliers to exist.

By submitting this form to Munis, I hereby certify that this justification for Limited source procurement is accurate and complete to the best of my knowledge and belief.
