* All Around Truck Inc. recommended for award because truck submitted, a VersaLift VST-47-MHI, fulfills the height requirements for Power & Light line crews. Trucks submitted by the other bidders, does not. All Around Truck is also an Independence dealer that would otherwise have won the bid based on the City's local vendor preference policy. The local vendor policy allows local vendors to be awarded if their bid is within 10% of a bid from a non-Independence business or \$30,000.
